On Friday and Saturday afternoons, you will notice there are two tracks (Track A & Track B). If the time on one track is at or within the same time as a class or range activity on the other track, you will need to choose one of them to attend. For example, you can take one class from one of the tracks in exchange for a class on the other track. The only exception will be if you sign-up and pay for one or both range activities: Friday’s Range Fun Shoot and Saturday’s Range Training Session. The General Sessions on Saturday and Sunday mornings are available for everyone to attend.
