Vendor Invitation 2022

The Texas Handgun Association (TxHGA) invites you to take part in our 24th Annual Conference on May 13-15, 2022, in Kerrville, Texas. And, just like last year, the 24th Annual Conference will be offered in-person and virtually. Our keynote speaker and guest instructor for the conference is **Brian Holmes**, of Strategic Influencers LLC, a consulting and coaching firm based in Dallas, TX. He is a Certified Master Coach, Business Strategist and Consultant, and Nonprofit expert. For more information on the conference, visit <https://txhga.org/2022-annual-conference/>.

The goal of the Texas Handgun Association’s conference is to promote the highest standards of instruction and training by offering continuing education to the firearms community and concerned citizens. Generally, the individuals who participate in our conferences are association members and their family. Please note, vendors are located in the room where training is taking place; therefore, not only will you have the opportunity to market your products or services, you will also benefit from the training.

As an exhibitor/vendor, we would like your company to bring related items for purchase or provide information regarding your products or services. If you are bringing firearms to sell, you will need to be a licensed dealer and provide a copy of your Federal Firearms License when submitting your application. For your information, the event details are provided below:
