[Classes identified with a double ** may be eligible for Texas Commission on Law Enforcement (TCOLE) continuing education credit for licensed peace officers.]

On Friday and Saturday afternoons, you will notice there are two tracks (Track A & Track B). If the time on one track is at or within the same time as a class or range activity on the other track, you will need to choose one of them to attend. For example, you can take one class from one of the tracks in exchange for a class on the other track. The only exception will be if you sign-up and pay for one or both range activities: Friday’s Range Fun Shoot and Saturday’s Range Training Session. The General Sessions on Saturday and Sunday mornings are available for everyone to attend.

.....

For those who purchase the Saturday luncheon and/or banquet, either as part of a package (regular/life member/junior) or individually, below are the descriptions of the meals:

The **Luncheon** is a Mexican Buffet with marinated beef or chicken fajitas, beef enchiladas, pork tales, pico de gallo, shredded cheddar cheese, guacamole, sour cream, Mexican style rice, charro beans, tortillas, chips, salsa, and sopapillas with honey.

The **Banquet** is the Traditional Hill Country Buffet with three entrée choices: Pork Loin in a mustard cream sauce, Chicken breast with a Madeira sauce, and Roast Beef au jus. The meal will come with oven roasted red potatoes, garden green salad, seasonal vegetables, hot rolls with butter, and apple cobbler with whipped cream.

COVID Protocol

The Texas Handgun Association is committed to the health and safety of all regarding COVID. We will make every effort to comply with the current CDC and local health department guidelines. We want to minimize health risks and concerns for all conference attendees.

We encourage physical distancing, good physical hygiene, including washing your hands often. If you feel the need to wear a mask or face covering, certainly you may do so.

We believe that YOU are responsible for your personal health and safety. If you have health issues that would cause you to be uncomfortable in a group of people, you should consider not coming to the conference. We would encourage you to participate via the ONLINE option.

Some course objectives may require personal contact with one another. If you have ANY concerns about personal contact, please discuss with the class instructor or a member of the Board of Directors of the Texas Handgun Association. We will make every effort to accommodate your needs and allow you to participate in the event.
