Official Position Statement

The Texas Concealed Handgun Association (TCHA) is an association dedicated to providing quality education and training to all handgun owners of Texas regardless of what law is passed or how one chooses to carry if a choice is presented. TCHA will educate gun owners by providing (best practices) training options and support the laws of the State of Texas.

As Texas law changes, we will support the right of responsible, law-abiding citizens to own, keep and lawfully carry firearms for personal protection. To this end, the association will continue to monitor the legislature and follow all gun law bills introduced and provide updates to our members.

If an introduced bill jeopardizes the right of a Texas citizen to lawfully carry a handgun, action will be taken at that time to inform the legislature of the association's concerns. Bottom line, TCHA's stance is to ensure that Texas citizens have the ability to protect themselves and their families at all times and be equipped with the knowledge and expertise to do so legally.

Please visit the TCHA website, <http://www.txchia.org/legistex15.htm>, for the association's latest position on pending legislation.

Bobby D. Clakley, President
