

Post-Conference Board Meeting

by Larry Arnold

The post-conference board meeting took a couple of steps that will streamline TCHA operations while making member interaction easier.

We are working with the company which prints our workbooks to set up a more sophisticated online store, which will allow you to directly order merchandise. It will also provide membership forms so members can renew and new members can join online.

I am also adding features to make it easier to opt in to the cost-saving electronic newsletters, while maintaining dead-tree issues for those who prefer them.

This year's board meetings are scheduled for:

1. May 7, 10:00AM, teleconference
2. August 20, 12 noon to August 21, 12 noon, Salado, planning session
3. October 22, site and time to be determined
4. January 14, 2012, 10:00 AM, teleconference

Member participation is welcome! Contact us for meeting information.

The board also welcomed new directors **Ron Ryle** and **Erwin Ballarta**, and reelected officers.
